Agile Meets Design Thinking

Hypothesis-Driven Development

Agile Analytics

Managing an Agile Team

05/13/2020

Victor René Nitu

has successfully completed the online, non-credit Specialization

Agile Development

You've mastered the principles of the agile development process, from design-first charters to purposeful analytics to creating a culture of experimentation. Your project work demonstrates your ability to manage software development using agile techniques. You are now ready to lead a high-functioning agile program. This specialization can be accessed at: <https://www.coursera.org/specializations/agile-development>

Alexander Cowan,
General Faculty
University of Virginia
Darden School of
Business

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
